### Letchmore Heath Village Trust (LHVT)

The LHVT was established in 1971 as a civic amenity society to help safeguard the village from ever increasing urban development and to preserve the special Green Belt and Conservation area in and around Letchmore Heath.

We speak for the village to the Parish Council, Borough Council, Planning Authorities, Highways and other bodies who control the services we use.

The Trust is a society through which all Letchmore Heath Residents can raise issues of concern.

There are approximately 100 houses with some 350 people living in the village.

### Village Trust Executive Committee

At the meeting the Executive Committee will stand down, but are eligible for re-election.

Anyone wishing to be nominated for election to the Executive Committee should be proposed and seconded by paid up members of the LHVT. Please send applications in writing to the Hon. Secretary, Alison Rose (2 Sunnyside, New Road) by the evening of Monday 17<sup>th</sup> September 2018.
